

# Wakefield '11'

## Wins 13-0

### Over Jaguars

Wakefield Junior High School broke into the lead in the Arlington County Junior High School Football League on Friday with a hard-fought 12-6 decision over Stratford, while in the only other game that afternoon Williamsburg opened its first historical football contest with a 19-0 win over winless Swanson.

Stratford had scored first in the opening period after recovering a fumbled punt reception on the Wakefield 31-yard line. Sonny Gordon then passed to Gary Gardner who was knocked out of bounds on the one yard line, paving the way for Mike Cardoni to carry over for the touchdown on the next play.

An 80-yard drive by Wakefield in the second quarter tied the game up at 6-6 by halftime as quarterback Jimmy Johnson bolted over from two yards out for the equalizer. Wakefield then scored the decisive touchdown in the third quarter as Johnson, Lockman, Spitler and Simpson spearheaded a 43 yard march to set up Simpson's tally from the three yard line.

Williamsburg won its game from Swanson easily as Dick Mosely scored two touchdowns and Roger Severson scored a third time, aided by numerous interceptions.

Williamsburg plays host to the undefeated Wakefield eleven this Friday in a unusual 10 o'clock game to be played at Stratford, while Swanson takes on Thomas Jefferson Friday afternoon at the regular 3:20 p.m. starting time.
